

## Submission Policy

Questions/Comments - [contactmiland@gmail.com](mailto:contactmiland@gmail.com)

By submitting content to MILAND, including but not limited to **nameplates, diagrams, schematics, documents, or related technical materials**, you agree to the following terms:

### 1. Ownership & Use of Submissions

All materials submitted to MILAND may be stored, reviewed, and used by MILAND for the purpose of building and improving the MILAND database. By submitting content, you grant MILAND permission to host, display, and distribute the submitted material on the platform.

### 2. Accuracy of Information

MILAND does not verify every submission and **does not guarantee the accuracy, completeness, or reliability** of any submitted information. Users accessing submitted materials do so at their own discretion. MILAND **holds no responsibility or liability for incorrect, incomplete, or misleading information** provided through user submissions.

### 3. Public Submissions

Every **approved** contribution to MILAND's website is **public to anyone** subscribed to MILAND NDS or MILAND NDS Atlas.

### 4. Contributor Acknowledgment

Contributors may choose to be **acknowledged for their submission**. Acknowledgement is the only form of recognition provided by MILAND. No monetary compensation, credits, or other rewards are given for submissions.

### 5. Removal of Acknowledgment

If you wish to remove your name, username, or acknowledgment associated with a submission, you may contact MILAND and we will remove the acknowledgment upon request.

### 6. Content Review

All submissions are subject to review. MILAND reserves the right to **accept, reject, modify, or remove submissions** at its discretion in order to maintain the integrity and usability of the platform.
